"Little Hands-on the Farm" is an agricultural education exhibit for kids. Children (age 2 – 8) become farm hands at this FREE, hands-on exhibit as they are provided the opportunity to experience the agricultural process, beginning at the farm and ending at the kitchen table.

This mock-farm consists of the Barn Yard, the Hen House, the Potato Patch, the Vineyard, and the Apple Orchard. The Farmers' Market is a place to sell and buy products from the farm. The Kitchen is a place to cook the family meal.

Children must be accompanied by a parent or guardian at all times.
